This position is a primary representative in all aspects of student recruitment and is responsible for promoting all college programs through extensive travel. The position assists potential students with the admissions process and maintains positive relationships with high schools and technical centers.
Come to me for: Admissions, Campus Tours, and Recruitment.

Amy Mayhew
New Student Success Specialist
This position processes course registrations and continuously completes advising appointments with all incoming matriculated program students to ensure they are first day ready. The position creates regular and ongoing text, email, and social media campaigns to ensure effective communication with incoming students. The position also provides navigation for students matriculating into certificate or degree programs through short-term workforce trainings.
Come to me for: New Student Enrollment and Course Registrations, Guided Pathways, Social Media, and New Student Orientation Events.

Linda Fitzsimmons
Director of Financial Aid
This position is responsible for the overall administration of the financial aid office, which includes the awarding and disbursement of all federal, state, institutional, and private financial aid funds. This position works directly with students and parents to assist with the financial aid process.
Come to me for: Assistance with the Financial Aid Process and FAFSA, and Questions on Student Funding (Grants, Loans, and Scholarships).

Elisa LaPointe
Financial Aid & Student Services Representative
This position answers the main college phone line and greets students, faculty, staff, and the public to provide support as needed. The position processes admissions applications and acceptances, FERPA files, immunization records, and incoming transcripts. The position also provides administrative support to the Director of Financial Aid, Associate Dean, and Dean of Enrollment Management and Student Services.
Come to me for: General Financial Aid Information and FAFSA Support, Student Forms and Documents, Student Services Questions, Parking Permits, and Room Reservations.

Kolaiah Spooner
Campus Safety and Security Officer
This position patrols buildings and grounds, monitors security systems, and writes incident reports. The position engages with the entire campus community to determine security needs or safety concerns and responds to calls for assistance and situations that arise on campus.
Come to me for: Safety & Security Information or Concerns, Crime Reporting, Daily Crime Log, RAVE Alert Support.

Anne Donahue
Coordinator of Enrollment Management
This position is responsible for enrollment verifications, evaluating transfer credit, performing degree audits, managing student records, and updating the SIS. This position also communicates with students and faculty about academic standing and degree requirements and serves as the VA certifying official.
Come to me for: Student Forms and Documents, Enrollment Questions, Veteran Affairs, and Transfer Credit.

Bernadette Farrar
Student Navigator
This position manages the Caring Cupboard and Student Advocacy and Resource Center. The position connects students with college or external resources to assist with barrier removal. The position provides health, wellness, and recovery related activities and campus wide communication. The position also provides navigation for designated student cohorts.
Come to me for: Community Newsletter, Connection to Student Resources, Emergency Funding Assistance, and the Food Pantry.

Seth Martin
