------------------------------------	----	--

I CONSENT to the US Department of Education and its agents obtaining a report of my credit record and using the information from that report in determining whether to make a Direct PLUS Loan to me. I understand that I will be notified in writing of the results of the credit check with respect to my loan application.

- **If the credit application is accepted**, I must complete an on-line Direct PLUS Loan Master Promissory Note (MPN) at www.StudentLoans.gov to receive the loan funds. PLUS loans will not be disbursed to the college until a valid MPN has been received by the Direct Loan Processing Center.
- **If my credit application is denied**, I will be given the opportunity to re-apply with a credit-worthy co-signer (also known as an endorser). If I choose not to pursue this option, the student may be eligible to borrow additional unsubsidized Direct Loan funds.

I CERTIFY that the information provided on this is true and accurate and that I will use this PLUS loan for expenses related to the student's attendance at WCCC. I have read and agree to the "Parent Understanding and Privacy Disclosure" on the reverse of this form.

The authority for collecting the information requested on this form is section 451 of the Higher Education Act of 1965, as amended. Your disclosure of this information is voluntary. However, if you do not provide this information, you cannot be considered for a Direct PLUS Loan. The information on this form will be used to determine your eligibility for a Direct PLUS Loan. The information in your file may be disclosed to third parties as authorized under routine uses in the Privacy Act notices called "Title IV Program Files". Thus, this information may be disclosed to federal and state agencies, private parties such as relatives, present and former employers and creditors, and contractors of the Department of Education for purposes of administration of the student financial assistance program, for enforcement purposes, for litigation where such disclosure is compatible with the purposes for which the records were collected, for use by federal, state, local or foreign agencies in connection with employment matters or the issuance of a license, grant, or other benefit, for use in any employee grievance or discipline proceeding in which the Federal Government is a party, for use in connection with audits or other investigations, for research purposes, for purposes of determining whether particular records are required to be disclosed under the Freedom of Information Act, and to a Member of Congress in response to an inquiry from the congressional office made at your written request.
