Heavy Equipment Maintenance Tool List

Students accepted in the Heavy Equipment Maintenance program are expected to have certain tools prior to starting classes. The tools listed below should be of good quality, but do not have to be a particular brand or new. If a student has a question regarding the tool list, please contact your instructor Kevin Howland at 207 454-1066 or (cell) 557-7854, (fax) 207 454-1026. **Please be sure to bring your tools to school on opening day.** Drafting supplies and books can be purchased through WCCC's Bookstore.
