## WCCC offering Online OUPV Captain License Course *in partnership with Johnson Marine Services*

**This credential is great for mariners who wish to use their own boat as a business;  
or wish to work in the charter, sport fishing, or passenger vessel industries.**

An OUPV license is an entry-level masters credential that allows mariners to operate power or sailing vessels up to 100 Tons in size, carrying no more than 6 paying passengers.

This 56-hour course will involve lectures and hands-on exercises in course content including:

- Rules of the Road
- Deck General
- Safety
- Terrestrial Navigation
- Charting
- Emergency
- Response
- Boat Handling
- Seamanship
- Maritime Law

Upon successful completion of this course mariners will not have to test with the USCG and can immediately begin the application process with unlimited application support from Johnson Marine Services.

**Enroll anytime • Cost - \$1150**

***Classes will be held online and are self-paced.***
