

## OUTDOOR LEADERSHIP: ADVENTURE RECREATION & TOURISM

### PROGRAM DESCRIPTION

The purpose of the **Adventure Recreation & Tourism** option of the Outdoor Leadership program is to equip students with a strong foundation in economic, cultural, and environmental studies related to the Adventure Tourism industry through a variety of challenging and engaging field experiences. This knowledge base allows students to make informed decisions while promoting environmental and cultural stewardship. The Adventure Recreation and Tourism program balances theoretical knowledge with hands-on, practical skills, enabling students to take effective leadership roles in planning, coordinating, and guiding recreational adventures.

### Career OPPORTUNITIES

Successful completion of the program qualifies graduates for a variety of positions in the adventure tourism industry including **tour operator, parks interpreter, recreation coordinator, and Maine guide in sea kayaking, recreation, hunting and fishing.**

### PROGRAM OUTCOMES

1. Demonstrate understanding of the knowledge, technical skills and credentials necessary to work in various facets of the industry.
2. Understand and apply knowledge concerning safety and conscientious stewardship of the environment.
3. Demonstrate adventure tourism leadership.
4. Demonstrate ability to support adventure, nature and outdoor recreation activities that are part of the Washington County community.
5. Demonstrate eligibility to take several State tests for licensure in the adventure recreation and tourism industry.
6. Qualify for employment in nature-related travel and outdoor recreation businesses or to start their own businesses.

*Washington County Community College is an equal opportunity/affirmative action institution and employer. For more information; please call Tatiana Osmond, Affirmative Action Officer, at 454-1094*
