

Plumbing & Heating Instructor

Washington County Community College is currently seeking applicants to fill a full-time instructor position.

Position Description: This position is on a day/evening schedule and teaches class/laboratory instruction and may teach distance education (including online) settings. The position will teach the heating and plumbing programs on an alternative yearly schedule and will be responsible to teach 20 hours a week as well as other faculty related duties. Instruction is over a combination of courses in the areas of: design, layout, installation theory, and the performance of basic plumbing and heating troubleshooting, repairs, operations. Instruction is indoors and outside, within a laboratory/shop and at off-site construction projects. The instructor will maintain and establish partnerships with business and industry and other faculty and educational providers. The noise level in the work environment is low to high and requires lifting and/or moving up to 75lbs. Frequent long term standing, walking, and climbing are required.

Qualifications: Minimum qualifications are Certificate and/or Associate degree in Heating and Plumbing, Maine Master Plumber license and/or Maine Master Oil Burner License, strong understanding of the State of Maine Plumbing and Heating codes, at least 5 years of work experience and some teaching/training experience. Preferred qualifications are baccalaureate degree in a related field, Maine Master Plumber license, Maine Master Oil Burner License, and Maine Propane and Natural Gas Technician License, strong understanding of the State of Maine Plumbing and Heating codes, experience with emerging alternative energy source installation and maintenance, and more than 5 years of work experience and teaching experience at the college/secondary technical setting. Applicants with an equivalent combination of education and experience will be considered.

Compensation: Salary commensurate with credentials and experience. 100% employer paid health for employees, dental insurance, vision insurance, Maine State Retirement or TIAA CREF, generous personal/sick time allowances, paid holidays, professional development, and free tuition within the MCCS.

Application Deadline/ Process: Position is open until filled; the application review process will begin at close of business Friday, May 20, 2016. Interested candidates should submit a cover letter, resume, copy of unofficial transcripts and licenses and list three professional references to resume@wccc.me.edu or to Robyn Leighton, Human Resource, Washington County Community College, One College Drive, Calais, ME 04619. *WCCC is an EO/AA Employer.*
