

Tutor Positions

Trio Student Support Services is seeking tutors for the fall 2022 semester beginning September 2022. Tutors foster a positive educational environment for learning; meet with students one-on-one or in group settings both in person and remote learning; and act as a mentor and be a positive role model. Tutors may work up to 20 hours a week and will assist students on a day, evening, or weekend schedule.

TRIO supports students reach their full potential by supplementing the instruction received in class with comprehensive tutoring. It is anticipated that tutors will be needed for the subjects of Math, English Composition, Electrical Technology, and Medical Terminology. Tutors interact with students via Zoom, Microsoft Teams, Brightspace (our LMS), via email, and in person.

Minimum Requirements: Experience tutoring or teaching at the high school and/or college level in any of the above areas. Excellent communication skills, the ability to utilize technology, and work collaboratively with faculty and staff are required. Knowledge of Microsoft Office 365 a plus. Current WCCC students may apply with a faculty member's recommendation.

Compensation: This position is grant funded up to 20 hours a week at a rate of \$14-\$16 per hour depending on credentials and experience. No benefits and no expectation the position will continue past December 20, 2022. Evenings likely required to meet the needs of students.

Interested candidates should submit a resume, unofficial transcripts, and list three professional references to Tina Erskine, Director of Human Resource at Washington County Community College, One College Drive, Calais, ME 04619. Positions open until filled. Positions is open until filled.
