PROPOSAL

Washington County Community College is investigating the cost to refinish stairway in St. Croix Hall. Due to budget constraints the college reserves the right to refuse any and all proposals. In addition, the college reserves the right to reject any or all bids and is not necessarily bound to accept the lowest bid if that bid is contrary to the best interest of WCCC.

Project Description/ Bid Submission Sheet:

The existing stairway from the upper to lower level requires complete sanding and refinishing to ensure the old finish does not show through the new application. All cracks, gaps, and separations must be properly filled and sanded smooth prior to finishing. This scope includes both stair treads and risers. New stair tread covers are to be installed to replace the existing covers, including the intermediate landing. A clear urethane finish will be applied as the final coat prior to installation of the new vinyl stair tread covers. All work areas will be thoroughly swept and cleaned upon project completion. Contractor must have proven experience in finish carpentry and related products.

Project Timeline:

To be completed by July 15, 2025

These terms and conditions derive from the public nature and limited resources of the MCCS. MCCS DOES NOT AGREE TO:

1. Provide any defense, hold harmless or indemnity;
2. Waive any statutory or constitutional immunity;
3. Apply the law of a state other than Maine;

6. Pay attorneys' fees, costs, expenses, or liquidated damages;
7. Promise confidentiality in a manner contrary to Maine's Freedom of Access Act;
8. Permit an entity to change unilaterally any term or condition once the contract is signed; and
9. Automatic renewals for term(s) greater than month-to-month.

By submitting a response to a Request for Proposal, bid or other offer to do business with MCCS, YOUR ENTITY UNDERSTANDS AND AGREES THAT:

1. The above standard terms and conditions are thereby incorporated into any agreement entered into between MCCS and your entity; that such terms and condition shall control in the event of any conflict with such agreement; and that your entity will not propose or demand any contrary terms;
2. The above standard terms and conditions will govern the interpretation of such agreement notwithstanding the expression of any other term and/or condition to the contrary;
3. Your entity will not propose to any college or other operating unit of the MCCS any contractual documents of any kind that are not in at least 11-point font and completely contained in one Word or PDF document, and that any references to terms and conditions, privacy policies or any other conditions referenced outside of the contract will not apply; and
