NURSING

Students who successfully graduate from the program become eligible to apply to take the NCLEX-RN licensing exam; successful completion enables the graduate to seek licensure as a Registered Nurse (RN).

WCCC is excited to welcome applications for our **Nursing Program!**

Washington County Community College has received Phase II approval for our new A.A.S Degree in Nursing! Our two full-time nursing program faculty are excited to welcome our first cohort of WCCC nursing program students.

Courses will be offered on the **WCCC Campus** in Calais. **Clinical rotations** will be located through out the State of Maine to ensure students gain required clinical competencies in all areas.

WCCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year

(most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

CAMPUS TOURS AVAILABLE

Call (207) 454-1000 or schedule an appointment on our website.

Questions about this program should be directed to the Office of Admissions, at 207-454-1000 or admissions@wccc.me.edu

LIVE ON CAMPUS

Did you know that WCCC has student apartments on campus?

Every year, many WCCC students choose to live on campus. The college's apartment-style housing accommodates up to five students in each unit. The housing and meal plan includes a balanced dinner each day and students can also enjoy breakfast or lunch in the college's dining hall.

Apartments have small kitchens for students who wish to prepare the remaining meals, and residential life staff offer cooking classes.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.

Visit www.wccc.edu/housing to learn more!
